**Notice of Special Meeting of Stockholders  
To Be Held on September 12, 2017**

A Special Meeting of Stockholders (the “Special Meeting”) of Collectar Biosciences, Inc. (the “Company”) will be held on Tuesday, September 12, 2017, at 10:00 A.M., local time, at its headquarters at 3301 Agriculture Drive, Madison, Wisconsin 53716.

Our Board of Directors is calling this Special Meeting to hold a vote ratifying the stockholders’ prior approval of an amendment (the “Amendment”) to our certificate of incorporation to increase the number of authorized shares of common stock by 40,000,000 shares, from 40,000,000 to 80,000,000 shares.

At the 2017 Annual Meeting of Stockholders of the Company held on May 31, 2017 (the “2017 Annual Meeting”), stockholders voted on the Amendment. Consistent with the applicable rules concerning the manner in which broker votes are counted for “routine” matters, certain shares of common stock held by brokers and with respect to which the beneficial owner had not provided the broker with voting instructions were voted by the broker in favor of the approval of the Amendment. As announced on a Current Report on Form 8-K filed with the Securities and Exchange Commission (the “SEC”) on June 1, 2017, stockholders approved the Amendment, and our Board of Directors filed a Certificate of Amendment with the Delaware Secretary of State.

Our Board of Directors subsequently determined that a particular disclosure contained in the proxy statement disseminated to our stockholders in connection with the 2017 Annual Meeting included an inadvertent drafting error that may have been confusing to some stockholders. In particular, notwithstanding the applicable rules concerning the manner in which broker votes are counted for “routine” matters, the proxy statement suggested that brokers would not have discretionary authority with respect to the approval of the Amendment, even though it had been the Company’s intent to state, consistent with applicable rules, that discretionary voting is permitted. Accordingly, while our Board of Directors believes it was and is appropriate to include the votes brokers cast pursuant to their discretionary authority, our Board of Directors recognizes that some stockholders may claim to have been confused by the disclosure in the proxy statement issued for the 2017 Annual Meeting regarding the voting standard applicable to the approval of the Amendment, and one stockholder has challenged the validity of the Amendment on these grounds.

Therefore, even though our Board of Directors believes the Amendment has been properly approved and is effective, out of an abundance of caution our Board of Directors unanimously adopted a resolution attached hereto as Appendix A on July 24, 2017 resolving to request that stockholders ratify the prior approval of the Amendment (the “Special Meeting Proposal”). The Special Meeting Proposal is the only matter that our Board of Directors knows of that will be voted on at the Special Meeting. Our Board of Directors recommends that you vote “FOR” the Special Meeting Proposal. The increase in our authorized shares is for general corporate purposes and is not being implemented in connection with any proposed corporate transaction.

Our Board of Directors has fixed the close of business on Thursday, August 10, 2017, as the record date for determining the stockholders entitled to notice of, and to vote at, the Special Meeting. Accordingly, only stockholders of record who held common stock of the Company at the close of business on August 10, 2017 will be entitled to vote at the Special Meeting and any adjournments or postponements thereof. The Special Meeting Proposal is being submitted to stockholders pursuant to Section 204 of the Delaware General Corporation Law (the “DGCL”). Under Section 204 of the DGCL, stockholders of record as of the close of business on Friday, April 7, 2017, the record date for our 2017 Annual Meeting, will also receive notice of the Special Meeting, but are not entitled to attend the Special Meeting or vote on the Special Meeting Proposal or any other matter presented at the Special Meeting unless they were also holders of record as of the close of business on Thursday, August 10, 2017.

---

This notice and the attached proxy statement constitute the notice required to be given to our stockholders under Section 204 of the DGCL in connection with the Special Meeting Proposal. Under Sections 204 and 205 of the DGCL, when a matter is submitted for ratification at a stockholder meeting, any claim that a defective corporate act ratified under Section 204 is void or voidable due to the failure of authorization, or that the Delaware Court of Chancery should declare in its discretion that a ratification in accordance with Section 204 of the DGCL not be effective or be effective only on certain conditions, must be brought within 120 days from the time a certificate of validation is filed with the Delaware Secretary of State and becomes effective. If the Special Meeting Proposal is approved by stockholders, the Company expects to file a certificate of validation promptly after the adjournment of the Special Meeting, and any claim that the filing and effectiveness of the Amendment is void or voidable due to the failure to receive the requisite stockholder approval at the 2017 Annual Meeting or the Special Meeting, as applicable, or that the Delaware Court of Chancery should declare, in its discretion, that the Amendment not be effective or be effective only on certain conditions, must be brought within 120 days from the time a certificate of validation is filed with the Delaware Secretary of State and becomes effective in accordance with the DGCL.

By order of the Board of Directors

**CELLECTAR BIOSCIENCES, INC.**  
**PROXY STATEMENT**  
**FOR THE SPECIAL MEETING OF STOCKHOLDERS**  
**To be held on September 12, 2017**

This proxy statement is furnished to the stockholders of Cellectar Biosciences, Inc. (the "Company") in connection with the solicitation of proxies by and on behalf of the Board of Directors of the Company (the "Board of Directors" or the "Board") for use at the Special Meeting of Stockholders (the "Special Meeting") to be held at our principal executive offices, located at 3301 Agriculture Drive, Madison, Wisconsin 53716, on September 12, 2017 at 10:00 A.M., local time, and at any adjournments and postponements thereof. We are a Delaware corporation.

You may vote if you were a stockholder of record at the close of business on Thursday, August 10, 2017. Stockholders of record may vote in person at the Special Meeting or may vote in advance by submitting a proxy by mail. Details regarding each of these methods are set forth on the proxy card accompanying this proxy statement. Stockholders whose shares are held beneficially through a bank, broker or other nominee in street name should follow the voting instructions provided to them by the entity or person holding their shares. If you are a stockholder whose shares are held beneficially through a bank, broker or other nominee in street name, you may only vote at the Special Meeting if you hold a written legal proxy granted to you and signed by the registered stockholder. Because the Special Meeting Proposal is considered a "routine" matter, if your shares are held in street name and if you do not provide voting instructions to the street name holder of your shares, that street name holder has discretion to vote on your behalf on the Special Meeting Proposal.

The Company will bear the cost of solicitation. Some of our officers and employees may solicit proxies by correspondence, telephone or in person, without extra compensation. We may also pay to banks, brokers, nominees and other fiduciaries their reasonable charges and expenses incurred in forwarding proxy material to their principals. It is expected that this proxy statement and the accompanying proxy will be mailed to our stockholders on or about August [●], 2017.

We have fixed the close of business on August 10, 2017 as the record date for the Special Meeting. Only stockholders of record at the close of business on August 10, 2017 will be entitled to receive notice of, and to vote at, the Special Meeting; however, we also will notify stockholders who were stockholders of record as of the close of business on Friday, April 7, 2017, the record date for our 2017 Annual Meeting. Stockholders who were stockholders of record as of April 7, 2017, but who were no longer stockholders of record as of August 10, 2017 will not be entitled to attend the Special Meeting or vote on the Special Meeting Proposal.

As of August [●], 2017, there were outstanding and entitled to vote 13,922,170 shares of our common stock, \$0.00001 par value per share. Our bylaws require a majority of the shares of stock entitled to be voted to be present in person or represented by proxy at a meeting to constitute a quorum. The Chairman of the Special Meeting may adjourn, postpone, or recess the Special Meeting to the fullest extent permitted by law and our bylaws. Our Chief Executive Officer, or such other person designed by our Board of Directors, will preside at the Special Meeting. The Special Meeting Proposal to be voted on at the Special Meeting shall require the following vote to pass:

---

<b>Proposal Requiring Your Vote</b>	<b>Board Recommendation</b>	<b>Votes Required for Approval<sup>(1)</sup></b>	<b>Broker Votes<sup>(2)</sup></b>	<b>Abstentions<sup>(3)</sup></b>
Ratification of the approval of the amendment of the certificate of incorporation to increase the number of authorized shares of common stock by 40,000,000 shares, from 40,000,000 to 80,000,000 shares	<b>FOR</b>	Majority of shares outstanding	Discretionary voting allowed	Count as vote against

(1) Votes will be tabulated by American Stock Transfer & Trust Company, our transfer agent.

(2) Based on Nasdaq Stock Market rules and the New York Stock Exchange rules applicable to broker discretionary voting, if your shares are held through a broker, bank or other nominee, that street name holder has discretion to vote on your behalf on “routine” matters if you do not provide voting instructions. This means that if you do not provide instructions to your broker, bank or other nominee, your lack of instructions will not be counted as a “broker nonvote” because the street name holder has discretion to vote on your behalf. In addition, if a stockholder signs his or her proxy card or instruction form, but does not mark the card or form to direct how the shares should be voted, the shares generally will be voted in accordance with the Board of Directors’ recommendation.

(3) Stockholders of record may abstain by checking the “abstain” box on the proxy card. If you are a stockholder whose shares are held beneficially through a bank, broker or other nominee in street name you must provide instructions to such street name holder, including if you wish to abstain.

We will report the voting results of the Special Meeting on our website and on a Current Report on Form 8-K filed with the SEC no later than four business days following the meeting.

**THE ENCLOSED PROXY, IF EXECUTED AND RETURNED, WILL BE VOTED AS DIRECTED ON THE PROXY OR, IN THE ABSENCE OF SUCH DIRECTION, FOR THE RATIFICATION OF THE APPROVAL OF THE AMENDMENT OF OUR CERTIFICATE OF INCORPORATION (THE SPECIAL MEETING PROPOSAL). THE BOARD OF DIRECTORS KNOWS OF NO OTHER BUSINESS TO COME BEFORE THE SPECIAL MEETING, AND PURSUANT TO OUR BYLAWS, ANY PURPOSE OR PURPOSES FOR WHICH A SPECIAL MEETING IS CALLED MUST BE INCLUDED IN THE NOTICE OF MEETING. HOWEVER, IF ANY OTHER MATTERS PROPERLY COME BEFORE THE MEETING, THE SHARES REPRESENTED BY THE PROXY WILL BE VOTED BY THE HOLDERS OF THE PROXIES IN ACCORDANCE WITH THEIR BEST JUDGMENT. THE PROXY MAY BE REVOKED AT ANY TIME PRIOR TO EXERCISE BY FILING WITH OUR SECRETARY A WRITTEN REVOCATION, BY EXECUTING A PROXY WITH A LATER DATE, OR BY ATTENDING AND VOTING AT THE MEETING.**

Our Board of Directors knows of no other business to come before the Special Meeting, and pursuant to Section 1.3 of our bylaws, any purpose or purposes for which a special meeting is called must be included in the notice of that meeting. However, if any other business should properly be presented at the meeting, the proxies will be voted in accordance with the judgment of the person or persons holding the proxies.

Our Annual Report on Form 10-K for the fiscal year ended December 31, 2016, including financial statements audited by Baker Tilly Virchow Krause, LLP, our independent registered public accounting firm, was previously sent to each of our stockholders simultaneously with the proxy statement for our 2017 Annual Meeting. In addition to this mailing, our employees may solicit proxies personally, electronically or by telephone, press release, facsimile, telegraph, the Internet or advertisements. We will pay all of the costs of this proxy solicitation. We will also reimburse brokers, banks, nominees and other fiduciaries for their expenses in sending these materials to you and getting your voting instructions. We have also engaged Georgeson LLC to assist us with the solicitation of proxies and provide related advice and informational support, for a services fee and the reimbursement of customary disbursements that are not expected to exceed \$13,000 in the aggregate.

**MATTER TO BE CONSIDERED AT SPECIAL MEETING**

**SPECIAL MEETING PROPOSAL**

**RATIFICATION OF THE APPROVAL OF THE AMENDMENT  
TO OUR CERTIFICATE OF INCORPORATION**

Our Second Amended and Restated Certificate of Incorporation, as effective immediately prior to our 2017 Annual Meeting (our “Certificate of Incorporation”), authorized the issuance of up to 40,000,000 shares of common stock and 7,000 shares of preferred stock. On March 9, 2017, the Board unanimously adopted a resolution setting forth an amendment to Article IV of the Certificate of Incorporation, subject to stockholder approval, to increase the shares of common stock that are authorized for issuance by 40,000,000 shares (the “Amendment”), bringing the total number of shares of common stock authorized for issuance to 80,000,000. The Amendment revises the first sentence of Article IV of our Certificate of Incorporation to read as follows: “The aggregate number of shares of stock that the Corporation shall have authority to issue is eighty million and seven thousand (80,007,000), of which eighty million (80,000,000) shares shall be designated ‘Common Stock’ and seven thousand (7,000) shares shall be designated ‘Preferred Stock.’” A copy of the Amendment is set forth in Appendix B hereto.

At the 2017 Annual Meeting of the Company, stockholders voted on the Amendment. Consistent with the applicable rules concerning the manner in which broker votes are counted for “routine” matters, certain shares of common stock held by brokers and with respect to which the beneficial owner had not provided the broker with voting instructions, were voted by the broker in favor of the approval of the Amendment. As announced on a Current Report on Form 8-K filed with the SEC on June 1, 2017, stockholders approved the Amendment, and our Board of Directors filed a Certificate of Amendment with the Delaware Secretary of State.

Our Board of Directors subsequently determined that a particular disclosure contained in the proxy statement disseminated to our stockholders in connection with the 2017 Annual Meeting included an inadvertent drafting error that may have been confusing to some stockholders. In particular, notwithstanding the applicable rules noted above concerning the manner in which broker votes are counted for “routine” matters, the proxy statement suggested that brokers would not have discretionary authority with respect to the approval of the Amendment, even though it had been the Company’s intent to state, consistent with applicable rules, that discretionary voting is permitted. Accordingly, while our Board of Directors believes it was and is appropriate to include the votes brokers cast pursuant to their discretionary authority, our Board of Directors recognizes that some stockholders may claim to have been confused by the disclosure in the proxy statement issued for the 2017 Annual Meeting regarding the voting standard applicable to the approval of the Amendment, and one stockholder has challenged the validity of the Amendment on these grounds. Therefore, even though our Board of Directors believes the Amendment has been properly approved and is effective, out of an abundance of caution our Board of Directors unanimously adopted a resolution on July 24, 2017 resolving to request that stockholders ratify the prior approval of the Amendment (the “Special Meeting Proposal”).

The Special Meeting Proposal is the only matter that our Board of Directors knows of that will be voted on at the Special Meeting. No change will be made to the other provisions of the Certificate of Incorporation pursuant to the Special Meeting Proposal, and no change beyond the Amendment previously voted upon will be made either. The additional authorized shares of common stock, if and when issued, would have the same rights and privileges as the shares of common stock previously authorized.

---

The increase in our authorized shares is for general corporate purposes and is not being implemented in connection with any proposed corporate transaction. However, our Board of Directors has concluded that it is advisable to solicit a ratification of the approval of the Amendment now and not wait until the 2018 Annual Meeting of Stockholders because the Board believes the Company and stockholders will benefit from obtaining the ratification of the voting results sooner. Although the Board of Directors does not currently contemplate specific transactions that would require use of more than the 40,000,000 common shares authorized without regard to the Amendment, the Board of Directors believes that having ratification of the additional authorized shares will give the Company the ability to be opportunistic with respect to raising additional capital or entering into strategic transactions should appropriate opportunities present themselves prior to the 2018 Annual Meeting. The additional shares of common stock authorized by the Amendment could be issued at the direction of the Board from time to time for any proper corporate purpose, including, without limitation, the acquisition of other businesses or their assets, the raising of additional capital for use in our business, a split of or dividend on then outstanding shares or in connection with any employee stock plan or program. The holders of shares of common stock do not presently have preemptive rights to subscribe for any of our securities and holders of common stock will not have any such rights to subscribe for the additional common stock subject to the ratification.

As we disclosed in connection with consideration of the Amendment at the 2017 Annual Meeting, the increase in the number of authorized shares of common stock could have a number of effects on our stockholders depending upon the exact nature and circumstances of any actual issuances of authorized but unissued shares. The increase could have an anti-takeover effect, in that additional shares could be issued (within the limits imposed by applicable law) in one or more transactions that could make a change in control or takeover of our Company more difficult. For example, additional shares could be issued by us so as to dilute the stock ownership or voting rights of persons seeking to obtain control of us. Similarly, the issuance of additional shares to certain persons allied with our management could have the effect of making it more difficult to remove our current management by diluting the stock ownership or voting rights of persons seeking to cause such removal. The subsequent issuance of additional common stock could result in dilution of net income per share and book value per share and the dilution of the voting rights of the common stock. The Board is not aware of any attempt, or contemplated attempt, to acquire control of our company, and this proposal is not being presented with the intent that it be utilized as a type of anti-takeover device.

If the Special Meeting Proposal receives the requisite vote to ratify the approval of the Amendment, our Board of Directors will consider the Amendment duly adopted, the Certificate of Amendment filed with the Delaware Secretary of State will remain effective and the Board of Directors will file a certificate of validation with the Delaware Secretary of State. If the Special Meeting Proposal does not receive the requisite vote to ratify the approval of the Amendment, our Board of Directors will consider whether to implement a plan to conserve shares and assess any further actions that may be appropriate, which could limit the Company's ability to pursue attractive corporate opportunities, including financings and acquisitions, and the Board of Directors' ability to provide certain employees with competitive compensation. Our Board of Directors does not believe this outcome would be in the Company's or stockholders' best interest.

Except as described herein, there are currently no definitive plans, arrangements, commitments or understandings for the issuance of the additional shares of common stock that are authorized pursuant to the Amendment. However, as noted above, the Board believes that the benefits of providing it with the flexibility to issue shares without delay for any proper business purpose outweigh the possible contingent disadvantages of dilution and discouraging unsolicited business combination proposals, and that it is prudent and in the best interests of stockholders to provide the advantage of greater flexibility which will result from the ratification of the approval of increasing the authorized common shares.

---

## **Required Vote and Recommendation**

The affirmative vote of a majority of the outstanding shares of common stock entitled to vote (including shares held through a broker, bank or other nominee that are unvoted by the beneficial owner(s)) is required to approve the Amendment. As to the Special Meeting Proposal, you may vote FOR, AGAINST or ABSTAIN. If your shares are held through a broker, bank or other nominee, that street name holder has discretion to vote on your behalf on the Special Meeting Proposal if you do not provide voting instructions. Votes that abstain will have the effect of a vote AGAINST the proposal.

**Our Board of Directors recommends that you vote FOR the ratification of the approval of the Amendment – that is, the amendment to our Certificate of Incorporation considered at the 2017 Annual Meeting that increased the number of shares of common stock authorized thereunder.**

**RESOLUTION OF THE BOARD OF DIRECTORS  
OF COLLECTAR BIOSCIENCES, INC.  
APPROVING THE SPECIAL MEETING PROPOSAL**

WHEREAS, on May 31, 2017, the stockholders of Collectar Biosciences, Inc. (the “Company”) at a duly called and convened annual meeting thereof (the “2017 Annual Meeting”) approved an amendment (the “Amendment”) to the Company’s certificate of incorporation to increase the number of authorized shares of common stock by 40,000,000 shares, from 40,000,000 to 80,000,000 shares, and the Company’s board of directors (the “Board”) filed a Certificate of Amendment with the Delaware Secretary of State;

WHEREAS, the Amendment was approved at the 2017 Annual Meeting by the affirmative vote of the holders of a majority of the outstanding shares of common stock entitled to vote thereon and consistent with the applicable rules concerning the manner in which broker votes are counted for “routine” matters, certain shares of common stock held by brokers and with respect to which the beneficial owner had not provided the broker with voting instructions were voted by the broker in favor of the approval of the Amendment;

WHEREAS, the Board subsequently determined that a particular disclosure contained in the proxy statement disseminated to stockholders in connection with the 2017 Annual Meeting included an inadvertent drafting error—specifically, that notwithstanding the applicable rules concerning the manner in which broker votes are counted for “routine” matters, the proxy statement suggested that brokers would not have discretionary authority with respect to the approval of the Amendment, even though it had been the Company’s intent to state, consistent with applicable rules, that discretionary voting is permitted—and that some stockholders may claim to have been confused by this drafting error and that one stockholder has challenged the validity of the Amendment on these grounds;

WHEREAS, in light of the foregoing, while the Board believes it was and is appropriate to include the votes brokers cast pursuant to their discretionary authority and believes the Amendment has been properly approved and is effective, the Board has determined that it is advisable and in the best interests of the Company and its stockholders to ratify the filing and effectiveness of the Amendment (the “Special Meeting Proposal”) at a special meeting called for that purpose (the “Special Meeting”);

WHEREAS, the Board has determined that it is in the best interests of the Company and its stockholders to treat the Special Meeting Proposal as a ratification pursuant to and in accordance with Section 204 of the Delaware General Corporation Law (the “DGCL”) given that some stockholders may view the filing and effectiveness of the Amendment in connection with the 2017 Annual Meeting as a defective corporate act (as defined in Section 204(h) of the DGCL);

WHEREAS, any claim that a defective corporate act ratified under Section 204 is void or voidable due to the failure of authorization, or that the Delaware Court of Chancery should declare in its discretion that a ratification in accordance with Section 204 of the DGCL not be effective or be effective only on certain conditions, must be brought within 120 days from the time a certificate of validation is filed with the Delaware Secretary of State and becomes effective;

WHEREAS, if the Special Meeting Proposal is approved by stockholders, the Company expects to file a certificate of validation promptly after the adjournment of the Special Meeting, and any claim that the filing and effectiveness of the Amendment is void or voidable due to the failure to receive the requisite stockholder approval at the 2017 Annual Meeting or the Special Meeting, as applicable, or that the Delaware Court of Chancery should declare, in its discretion, that the Amendment not be effective or be effective only on certain conditions, must be brought within 120 days from the time a certificate of validation is filed with the Delaware Secretary of State and becomes effective in accordance with the DGCL;

WHEREAS, the Company has prepared and intends to file with the Securities and Exchange Commission (the "SEC") a proxy statement relating to the Special Meeting and the Special Meeting Proposal, which the Board has reviewed and discussed with management; and

WHEREAS, the Board now desires to call the Special Meeting, and set a record date therefor, for the purpose of submitting the Special Meeting Proposal to stockholders.

RESOLVED, FURTHER, that all acts, transactions or agreements undertaken prior to the adoption of these resolutions by any of the officers or representatives of the Company, in the name and on behalf of the Company, in connection with or in furtherance of any of the foregoing matters be, and they hereby are, ratified, confirmed, adopted and approved in all respects and for all purposes as the validly authorized acts and deeds of the Company; and

RESOLVED, FURTHER, that if any party requires that the authorizations of any of the foregoing transactions be adopted in another form of resolutions, such resolutions, in such form as may be approved by the officers, shall be deemed to have been adopted hereby by the Board as of the date first set forth above.

RESOLVED, FURTHER, that the Board may abandon the ratification of any corporate act identified herein, whether before or after stockholder approval thereof and without further action thereby, at any time prior to the validation effective time (as defined in Section 204(h) of the DGCL) of such act.
